## Assessment of exemplar

---

Compare the exemplar to your completed activity. Review your work using each of the criteria in the exemplar. *What did you do well? Where can you improve?* Use your answers to these questions to guide you as you continue to progress through the course.

**Note:** *The exemplar represents one possible way to complete the activity. Yours will likely differ in certain ways. What's important is that your activity uses relevant information from the capstone project to provide a high-level summary for stakeholders.*

Your completed activity should include the following:

- A meaningful title that is reflective of the work that was done for the project
- An overview that includes 2–3 sentences explaining the purpose of the project
- An objective that states the project's target goal and its impact
- A results section that lists specific outcomes from the project
- A next steps section that includes one recommendation and one suggested next step
